Dear School Parents:

We trust that everyone is having a wonderful summer and that everything is going well. We have a few items to relate to you about our summer mailer and registration forms for the 2008-2009 school year. If you have any questions please call the school office.

We have posted our summer mailer and our registration forms on the school Web site. The forms you will need to download for registration night, August 5, are as follows: Emergency form, Textbook loan form, Registration form, Student pick-up form, and Late pick-up form. You will also want to print off the summer mailer, school supply list, and school calendar.

The physical, vision, and dental examination forms do not format well for the website. If your child will participate in sports, we have included with this letter the necessary physical form. Other health-related forms are included if your child is in grades K, 2, or 6 according to the state requirements for the 2008-2009 school year. Students entering:

\*Kindergarten are required to show proof of a physical examination and a vision examination before October 15, 2008 and a dental examination before May 15, 2009;

\*Grade 2 are required to show proof of a dental examination before May 15, 2009;

\*Grade 6 are required to show proof of a physical examination before October 15, 2008 and a dental examination before May 15, 2009.

\*\*Note: Students entering Grade 5 no longer require a physical examination. Students entering Grade 6 who have a physical examination on record from Grade 5 will not be required to get another this school year. If the forms you need were not sent in this mailer, please call the school office and we will mail them to you.

If you do not have access to the Web site and need copies of the registration forms, please contact the school office at 633-2202. We will mail you the forms or make arrangements for you to pick them up at the school office.

Our Registration Evening will be at the St. Paul Center on **Tuesday, August 5, 2008** from 5:00 p.m. to 8:00 p.m. This night is set aside to take care of ALL payment of fees & completion of necessary forms. All school families with a kindergarten student must bring that student's birth certificate. Please make every effort to attend. If you can not attend, contact the school office to make other arrangements.

Just a reminder: All female students in grades 4<sup>th</sup> through 8<sup>th</sup> grade may participate in volleyball at TSP. Practice will be announced soon.

Once again before and/or after school care program will take place at the St. Paul Early Childhood Learning Center. If you are interested in this type of program you may contact the St. Paul Early Childhood Learning Center located at 125 Wolf Avenue Hamel, (618)633-3252 and talk to Terri Wagner. We will provide transportation to and from this center.

God bless your family as the summer continues. We look forward to seeing you on registration night.

In Christ,

Faculty and Staff of TSP
